

## Trustee role description

### The Board

The Board of Trustees has ultimate responsibility for directing the affairs of the Association, ensuring that it is solvent, well run, that it complies with current legislation, and that it delivers its charitable outcomes for the benefit of those people for whom it exists.

### Trustee responsibilities

- Contribute actively to the Board in establishing strategic direction for the Association, agreeing overall goals and targets and evaluating performance
- Ensure the Association seeks and reflects the views of beneficiaries and stakeholders in the establishment of strategic direction
- Ensure that the Association's resources are safeguarded and protected and that its financial viability is maintained and assured
- Ensure the proper management and administration of the Association
- Reflect the Association's vision, mission, values and code of conduct in all activities and at all times
- Contribute skills, knowledge and experience as appropriate in all Board activities and in support of effective decision making
