Nigel’s 4th Annual Snooker

Nigel has the following message for all who supported him and the event:

Hi All,
Another successful day of fun spent with family & friends raising money for Motor Neurone Disease. None of this would have been possible without the support of all that took part, donated and came along to support. ♥

Well done to Chris Dunmore (Mr Bump) for winning and well done to Neil Reynolds for runner-up and claiming the highest break trophy with a fantastic 99 break.

Also well done to our semi finalists Steven Godfrey & Kieran John Richards-Witham who both played some fantastic snooker.

Total figure raised is £3009.89 which is an incredible amount for a snooker competition.

Special thanks to:
Dick Morgan – Venue & food
Kevin Fitter – prize money
Vince Fitter – Trophies, endless work contacting companies for raffle prizes and taking the time to make some fantastic hampers.

Also for a fantastic Auction with the help of Kieran John Richards-Witham 😎😎

Tony Scully – producing the draw sheets and player list. Also, hard work ensuring the day went as smooth as possible.

Joy Cox – making and auctioning off her miniature dolls in aid of MND.

MNDA gang – Don Greenfield on photography, Jenny and Mary for support.

My family – my wife Joanne Brasier daughter Annabelle Brasier and mum (Mary🤣) for the hard work collecting entry fees and the raffle. My boy’s Rhys Brasier & Rian Brasier for taking part and support.

Here’s to the next one 🥂🥂❤️

Congratulations to Barry and everyone involved in Walk to D’Feet which was held in Newark on 2nd September 2018. 39 walkers and several dogs enjoyed the glorious Newark weather. The Lincolnshire and Nottinghamshire branches of the MND Association were both represented, and were accompanied by Barry’s family and his friends from Barnbygate Strollers. THANK YOU AND WELL DONE TO ALL INVOLVED!

Thank you to Tesco in Boston

Tesco in Boston have donated £250 from their community pre-loved book sale to Nigel Brasier’s snooker competition in aid of the MNDA. The photo above shows Nigel receiving the cheque from Caz Dennis (Service Manager) from Tesco in Boston, and the photo below shows evidence of their fundraising campaign.

THANK YOU TESCO!
CONGRATULATIONS IMELDA!

Ahead of her impending 50th birthday, Imelda McDonnell decided to remove completing a marathon from her bucket list. Despite 25C temperatures on the day, the task was successfully achieved at the Hornsea Running Festival on 2 September 2018, raising over £2,600 for the Motor Neurone Disease Association in the process. Imelda is an Association Visitor in the Lincolnshire area and wanted to complete this challenge in order to benefit those with MND in their lives who face daily challenges of their own.

Liz Biggs and Daphne Oxford

Just to let you all know that Elizabeth Biggs and Daphne Oxford have moved to pastures new and are no longer part of the Lincolnshire Motor Neurone Disease Group.

Liz joined our Group when it was a branch and worked tirelessly to help with the awareness and organisations. She took over from Daphne in 2011 as Treasurer from Daphne when Daphne’s Mother became ill and needed 24/7 care. When Daphne’s Mother died at the beginning of 2012, the books were handed back to Daphne and Liz helped her husband Rob in the Secretarial side of things. Liz will very soon be moving to the Cotswolds – a very lovely and popular part of England. She will be near her sister and family. Good luck Liz in all you do and a very big thank you from our Group for the hard work and dedication which you gave.

Daphne (me) joined the Branch back in 2000 just after her husband died and became the Editor of the Newsletter. At that time she also trained as an Association Visitor and took over the duties of the Treasurer a little later. She is now settled in her son’s house in Southampton where she hopes to buy a property nearby if she can find one within her budget. She has enjoyed being a part of the Branch and later the Group. Meeting so many lovely people was such a gratifying reward.

Liz and Daphne both hope to keep in touch with many of the beautiful people they have met and wish the rest of the Group and any new members who join to have continued success in all aspects of raising awareness of MND, raising money for the cause, and in caring so lovingly for all the victims, carers and friends of the Lincolnshire Group of Motor Neurone Disease Association.

Good Luck to you all and take good care of yourselves.

Kind Regards

Daphne Oxford
