

How to send in your money

Well done and thank you for all your hard work raising funds for us, we are truly grateful for your kind commitment and support. The money you have raised will help us to provide care and support to those affected by motor neurone disease, and continue to fund our vital research into this devastating disease.

You can send your money to us in a number of ways, please choose the most convenient way for you.

By post:

Please do not send cash in the post – it would be a great shame for your money to go missing after all your hard work. Please send a cheque made payable to the 'MND Association' and post to:

MND Association
PO Box 246
Northampton
NN1 2PR

Please include your details and how the money was raised to help us process the funds correctly.

If you are contributing to a Tribute Fund or Fightback Fund, please mention this too so we can ensure your funds are recorded.

Bank transfer:

For information on paying into our fundraising account directly, please contact the fundraising team on 01604 611860 for more details.

To help us identify your gift donation when it shows up on our bank statement, you will need to confirm the amount, date paid in and location of the bank.
