

motor neurone disease  
association

Motor Neurone Disease Association & Aurora Wellbeing Centres support local men and women and their families living with their illness. Anyone with a diagnosis receives a free package of support and access to wellbeing programmes.

Our highly trained therapists and volunteers understand how to help people. You can choose from \*Relaxation Therapies, \*Holistic Therapies, \*Massage, \*Conventional Beauty and Hair treatments to boost your self-esteem and confidence.

We can provide our services to you on both our Scot Lane, Doncaster and the Montagu Hospital, Mexborough sites.

For further information and to book an appointment call Lynne on 07889 988037
